EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Independent claims 9, 18, and 26 are allowable because the prior art of record does not disclose or reasonably suggest selecting a phrase with a lowest confidence value and eliminating the phrase when user context information regarding conflicting elements validates the lowest confidence value in combination with an N-best speech recognition engine having a currently active recognition grammar. Although an N-best speech recognition engine tends to eliminate phrases having low confidence values, a lowest confidence value is not selected, *per se*, but instead, a top N candidates are validated.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Martin Lerner whose telephone number is (571) 272-7608. The examiner can normally be reached on 8:30 AM to 6:00 PM Monday to Thursday.
